Hiring Manager

[Company Name]

Hyderabad / [City], India

RE:

Application for [Credit Analyst / Operations Manager / Branch Operations Manager] at
[Company Name]

Dear Hiring Manager,

I am writing to express my strong interest in the [Credit Analyst / Operations Manager / Branch Operations Manager] role at [Company Name]. With over a year of hands-on experience as a Branch Sales Manager at **Piramal Finance** and a Post-Graduate Diploma in Business Management (Finance & Marketing) from the Institute of Public Enterprise, I bring a well-rounded capability in credit underwriting, risk mitigation, regulatory compliance, and team leadership — ready to contribute meaningfully from day one.

At Piramal Finance, I evaluated **100+ customer profiles monthly** to determine creditworthiness, verified legal and technical (civil work process) compliance prior to loan sanctioning, and partnered with the Fraud Control Unit to mitigate risk exposure. Simultaneously, I led and mentored a team of **8+ Relationship Managers, Senior RMs, and Sales Managers** — defining KPIs, delivering training sessions, and aligning team output with corporate disbursement goals. This dual exposure to rigorous credit analysis and operational leadership defines the value I bring to your organisation.

Beyond field experience, I hold certifications from **J.P. Morgan's Investment Banking Simulation**, **Bloomberg Market Concepts (BMC)**, and **NISM's Advanced Financial Literacy** programme, with advanced proficiency in MS Excel, financial modelling, DCF valuation, and ratio analysis. My research internship at **IIT Kharagpur** — focused on start-up investment decisions — further strengthened my ability to synthesise complex financial data into actionable recommendations.

I am particularly drawn to [Company Name] because of [specific reason — e.g., its commitment to rigorous credit underwriting / its expanding retail lending portfolio in Hyderabad / its reputation for developing finance professionals]. I am keen to contribute my skills in credit risk assessment, compliance management, and team leadership to help your organisation achieve its portfolio and operational objectives.

I would greatly appreciate the opportunity to discuss how my background aligns with your team's needs. My resume is enclosed for your reference. Please feel free to contact me at **+91 630-201-7312** or **cheelaaniketh.work@gmail.com**. I look forward to the possibility of contributing to
